REPORT OF CHAPLAIN

Dover, N. H.

Jan. 24, 1928

TO THE COMMISSIONERS OF STRAFFORD COUNTY:

Gentlemen:

With pleasure I submit the following report, as Chaplain of the Strafford County Home and House of Correction, for the year ending December 31, 1927 .

The past year has been one of activity in this important field of service, and we trust that it has been a year of accomplishment as well. The religious services have been maintained the second Sunday in the month, with a large attendance and a deepening interest. The Salvation Army from Dover conducted the April service and the Women's Christian Temperance Union of Rochester have held two profitable services during the year. Special programs were rendered on Mother's Day, on Thanksgiving Sunday and at Christmas time. Much credit is due the Epworth League of the Methodist Church, Dover and the Young People's Society of Christian Endeavor of the Baptist Church, Dover, for bringing so much good cheer to the inmates on these special occasions.

The Moody Bible Colportage Association, repeated the generosity of last year and made it possible for the chaplain to distribute much free and interesting literature.

Superintendent Edward Young, his wife and faithful assistants, have left nothing undone the past year, in co-operating with the chaplain in this ministry of love, for the brightening and uplifting of those entrusted to their care.

Thanking you again for your consideration, I am

Yours in His service,

LESTER C. HOLMES

Chaplain

TO THE COMMISSIONERS OF STRAFFORD COUNTY:

In addition to the above, five minors were before the court for larceny, in all of which instances, the cases were either placed on file or sentences suspended for good behavior. The names of the minors are not printed, in compliance with statute.

(C) Equity Cases, i.e. Automobile Forfeitures

State v. Nailbow & Ford Automobile; case brought forward from February Term, 1927; car decreed forfeited and sold for \$70.

State v. Swett & Nash Roadster; car seized on the first of June, but released to Finance Company, who claimed car upon lease, upon their furnishing a bond in amount to meet any decree which may be fixed by Superior Court, and case continued to February Term, pending decision of Supreme Court upon similar case.

State v. Martineau & Essex Coach; released upon a compromise settlement of \$200. upon approval of the Superior Court judge.

State v. Wentworth & Ford Sedan; trial and libel dismissed for ownership of car in third person who intervened.

In addition to the above, two cars of small value were seized, forfeited and sold by decree of the municipal courts, and moneys accounted for by Sheriff.

II. Municipal Courts.

As your Solicitor, I have presented and prosecuted in the Municipal Courts of our county one hundred seven (107) complaints. Of these, sixty-six involved violation of the liquor law; five assault; seven gambling; two maintaining gambling machines; one drunkenness; one driving an automobile without license; two driving an automobile recklessly; one driving an automobile under the influence of liquor; twelve non-support; one vagabond; two stealing fruit; one setting fire without a permit; three adultery; two bigamy; one burglary; two larceny; two obtaining an automobile by fraud. Seven were preliminary hearings for the purpose of binding over the respondent to the Superior Court.

The towns and number of cases arising in each town or city are as follows:

Dover	35
Somersworth	31
Rochester	12
Rollinsford	7
Farmington	4
Strafford	4
Barrington	4
Middleton	5
Durham	3
Madbury	2

Of the liquor cases the classification is as follows:

30 sales, or keeping for sale
15 illegal possession
13 transportation
9 manufacture

Of these cases fourteen were second offenders; the fines imposed amounted to \$7075 and sentences one hundred thirty-six months; the longest sentence for one year, and the shortest thirty days. Sentences were suspended both as to fine and prison in three instances, and fines in a few cases were never paid because respondent served his time and exercised his right thereafter to apply to the Superior Court for release because he was without funds with which to pay the same.

I would add in closing, my appreciation of the co-operation of municipal state and federal officials. Much of the success reported above is due to State Commissioner Caswell and his assistance.

Respectfully submitted,

BURT C. COOPER,

Solicitor
